PLENUM FOR GRILLES

Mod. PLM-Versa2

Product informations

PLENUM FOR GRILLES WITH PLASTIC SPIGOTS
Multifunctional plenum for air distribution terminals made entirely of ABS. It allows the connection with hose in the rear, top or side position. Complete with a large range of accessories for a quick and easy installation.

Thanks to the extension kit (SKU 14743), it is possible to properly manage the installation even in the presence of plasterboard walls, overcoming standard dimensional limitations.

Please find the reference ABS design grilles at the following link
