PAIR OF TECNOGAS STAR PLUS BRACKETS

Disassembled

Product informations

Pair of ***"STAR PLUS"*** brackets, made of pressed sheet metal and painted with RAL 9002 grey epoxy powder. The horizontal shelves have rounded corners and are characterized by grooves to increase resistance: each shelf is able to support up to 80 kg.

Equipped with all accessories necessary for installation, and to make it easier for you to assemble the various components, we have also included a ***Wurth SHARK Pro 10 plug*** in the kit!
