CONDENSATION DISCHARGE PUMP NUVOLA MINI

For nebulised condensate drain

Product informations

NUVOLA Mini, the condensate drain pump that can be supplied with a nebulized drain that allows the condensation of the air conditioners to be disposed of towards the outside, by nebulizing the water into particles that dissolve in the air up to a distance of 50 m. Its operation does not require an exhaust system and is completely automatic, being equipped with a microprocessor it is able to adapt optimally to the operation of the air conditioner.

Product features

- easy installation
- permanently eliminates the problem of draining condensation generated by the air-conditioning system
- has a fully automatic operation, through the microprocessor it is able to optimally adapt to the operation of the air conditioner
- can be installed on the outdoor unit, as it is rainproof
- low consumption

<i>PUMP STRUCTURE</i>	
1	ELECTRONIC CONTROL BOARD
2	HIGH-PRESSURE FLAME-RETARDANT PUMP

Condensation Discharge Pump NUVOLA Mini

PUMP STRUCTURE	
3	STORAGE TANK
4	LEVEL SENSOR
5	SWIVEL ELBOW
6	ATOMIZING NOZZLE WITH MOUNTING BRACKET

The kit includes

- NUVOLA Mini pump
- inspectable nebulizer nozzle
- 1 m polyethylene pipe Ø 4,6 mm
- bracket for nebulizer nozzle
- wall plugs kit for wall mounting
- hose clamp 2,4 x 200 mm
- anti-impurity filter (2 pcs)

MAINTENANCE KIT

A maintenance kit for restoring functionality is also available and includes:

- isophonic panel
- inspectable metal nozzles
- polyethylene pipe
- dirt filter set
- rotating elbow
- hose clamps

Condensation Discharge Pump NUVOLA Mini

Technical Features

VOLTAGE/FREQUENCY	220-240 V / 50 HZ
TYPE	PRESSURE ATOMIZING CONDENSATE DISPENSER
MAXIMUM TANK CAPACITY	180 ML
USEFUL TANK CAPACITY	130 ML
DISPENSING RATE	110 ML IN 1:33 MIN (STANDARD INSTALLATION WITH 1 M TUBE AND SUPPLIED NOZZLE)
MAXIMUM ATOMIZING PRESSURE	6 BAR
WEIGHTED ENERGY CONSUPTION	20 W CYCLE / 1 W STANDBY
NOISE LEVEL	60 DB(A)
MOTOR	VIBRATION PUMP
INSTALLATION	FREE-STANDING INSTALLATION
DIMENSIONS	149 X 110 X 75 MM (LXHXW)
WEIGHT	547 G

SKU	MODEL	PRICE
00000011931	NUVOLA MINI CONDENSATING DISCHARGE PUMP	€152.5 VAT EXCLUDED
