DIGITAL CLAMP MULTIMETER

Clamp model

Product informations

This digital clamp meter allows to obtain a precise measurement of the intensity of the current through the magnetic field surrounding the conductor.

Product features

- LCD display and backlight
- auto - range function
- memory in all the loads
- automatic resetting
- ingress protection
- equipped with a torch
- supplied batteries

Technical Features

FLOW RATES	ACV 650V - DCV 650V - ACA 400A - 32 MΩ
ACCURACY	ACV-DCV ± 1,2% / ACA ± 1,5% / RESIST. Ω ± 1%
ALTERNATIVE CURRENT	± (1,8% + 9)
AC VOLTAGE	± (1,2% + 5)
CC VOLTAGE	± (0,8% + 1)
