# PAIR OF "STAR-PLASTIC" BRACKETS

With or without crossbeam

## Product informations

Pair of ***"STAR PLASTIC"*** brackets, equipped with a 2 mm galvanized steel core that gives the brackets stability, sturdiness and resistance; thanks to its gray-colored plastic polymer coating, this model of bracket is highly resistant to corrosion and rust phenomena.

*Including an innovative anti-vibration system and a simple angular adjustment system, all components are pre-assembled with stainless steel bolts.*

### *Two versions available*

- **EASY** model, without crossbar - ***sku 11081***
- **TOP** model, with crossbar - ***sku 11084***

## Technical Features
